

## **GREEN DAY : THE 3E INT GET INVOLVED**

mardi 29 novembre 2016, par [Julia Fady](#)

The 3<sup>e</sup> International class is also involved in the Green Day project to raise awareness about climate change.

First stop : inform.

The students created an on-line magazine to talk about the challenges facing our planet and giving practical advice about things we can all do to help fight the consequences of climate change.

Second stop : appeal

Samuel M and Illan S went to talk to the school's cook, Mr Basier, to ask if the canteen could go « green » for the day. Mission accomplished !

Third stop : entertain

The class will be hosting a presentation of the film « Demain » in the cinema room from 12.45 to 14.00 for interested students. Mathias M, Thomas, Illan, Samuel P, Augustin and Bettina are also preparing a short film trailer to talk about « The Future »...
