The 6^e and 5^e classes of the International Section celebrated Thanksgiving with a lunch organized by Apelevia.

Thanksgiving is celebrated on the second Monday of October in Canada and on the fourth Thursday of November in the United States. It is traditionally a day for families and friends to share a special meal which typically features a roasted turkey.

The Mignet students enjoyed a traditional Thanksgiving meal of turkey, mashed potatoes, and green beans with homemade cranberry sauce at the Restaurant "Le Cintra" in the center of Aix. Dessert was apple and pumpkin pies made by some of the Mums.

It was a fun afternoon learning about this tradition and its history, getting to know their tutor partners and giving thanks for all we are blessed with.

The students worked on a project that will be presented to the College to express our thanks !
